Books by & about Lucy Maud Montgomery

Bookmark, Charlottetown's locally owned, independent bookshop is the only bookshop in Canada with a dedicated Montgomery section. We maintain an extensive collection of Montgomery works, books about Montgomery and scholarly titles. We continually marvel at the drawing power on Montgomery as a tourism magnet for Prince Edward Island.

Bookmark has also been a regular bookseller to the LMM Institute biennial conference. With the cancellation of the 2020 conference due to the Covid-19 pandemic, Bookmark is pleased to offer an on-line Montgomery store. Check it out [here](#). As an incentive for placing an order with us, we are offering a FREE Out of Print Anne of Green Gable tote bag with all orders over \$100.

If you have any questions or are looking for a book that is not included on our page, please email us at charlottetown@bookmarkreads.ca.
